**Transfer of Remainder of Exemption**

Davies Molding, LLC acquired Euro American Plastics, Inc on March 24, 2022.

A field review was performed on May 16, 2022 by Nicole Flanagan to verify assets on location. It was at this time, it was discovered that the change in ownership had occurred.

Euro American Plastics was granted a 10 year exemption in 2018 – with the exemption to expire in 2027 and a 9 year exemption in 2018 – with this exemption set to expire in 2026.

Davies Molding, LLC has not personally requested the exemption transfer, however, in accordance with AG Opinion 1992 WL 614124 – “unexpired exemptions granted pursuant to Section 27-31-101 are transferable to new owners of the enterprise so long as it continues to carry on the original business activity that had qualified for the exemption. The new owner may stand in place of the previous owner in that respect.”
