Property that we wish to donate to Madison County, MS is owned in the name of Sidney Davis, Barbara Simms Trust and Bette Noblin. We wish to donate the two lots to Madison County. The area around the property has the library, fire station and a really nice park. We would like for it to be a part of this area that is maintained in such a nice manner. It is hard for us to maintain the property now since we are getting up in age. My uncle and aunt, Fred and Katherine Barnett, donated the property to us when they died. They had been life long residents of Camden. We would like to donate it to the county in their honor. The legal description of the two lots is as follows: 114F24D 025/00 and 114F24D 026/00.

Please let me know if they will accept this donation.

Ms. Simms,

It appears that there may be interest in receiving a donation of the property that you mentioned.

If you wish to move forward with a donation, I would suggest the following:

1. Prepare a written explanation of what you wish to donate and any other specifics that you wish to include.
2. Mail or e-mail the offer to me.
3. I will then provide the offer to our attorney for review and direction.
4. After his review, I will present the offer to the Board of Supervisors for consideration.

Please advise of any questions.

Thanks,
SV
