Dear Mr. Vance:

As you are aware the city of Gluckstadt incorporated in June 2021. Wendell Watts was hired as the Chief of police on March 21, 2022. We have been working toward formation of the Gluckstadt police department. During this time, we are faced with many associated costs including the purchase of radios.

The expense for the radio's will be \$68,974.10. (See attached quote). This purchase would be a major expense for our police department. Since we are a new city with a smaller start up budget than most established cities, I would ask for the assistance of Madison County in paying for these radios through the Madison County E-911 funds.

Thank you for your consideration in this matter.

Sincerely,

WALTER C. MORRISON, IV
Mayor, City of Gluckstadt
