Re: Repeated Violations of Stormwater Ordinance
Cedarstone Construction Corporation
Permits 28049 and 28250

The County Engineer's office requests that the Board of Supervisor's authorize the County Engineer and County Attorney to immediately begin the enforcement activities as outlined in Sections 513-521 of the Madison County Stormwater Ordinance. These include the abatement of the violations and correction of the treatment BMP's necessary to keep stormwater from leaving the project site. The cost of this abatement shall be borne by the permit applicant.

On May 18, 2022, verbal notice was given to Mr. Todd Carter of Cedarstone Construction Corporation to correct the stormwater violations associated with Permits 28049 and 28250 on Lone Wolf Drive as shown in the attached photos. Nothing was done and a Stop Work Order issued for the 2 permits. A letter was written by the County Engineer on May 25, 2022, requesting the same with the included statement that should the violations not be addressed by June 1, 2022, the company would be brought before the Board of Supervisors at the June 6, 2022, meeting with the request that the Board begin enforcement actions.
