Hon. Staci O'Neal  
Madison County Family Drug Intervention Court  
128 W. North Street  
Canton, MS 39046

Dear Judge O'Neal:

The Administrative Office of Courts has approved your application to establish a Madison County family drug intervention court and the proposed FY23 operating budget. In accordance with the Mississippi Intervention Court Rules, the Madison County family drug intervention court is approved to operate and qualifies for reimbursement not to exceed \$65,000 for the period of July 1, 2022, to June 30, 2023. Since the AOC's ability to offer funding for a drug intervention court is dependent upon legislative appropriations to the Judiciary, annual funding is contingent upon the availability of sufficient funding by the State.

Compliance with the Alyce Griffin Intervention Court Act, Miss. Code Ann. § 9-23-1 et seq., and the Mississippi Adult Drug Intervention Court Rules, which include family drug intervention courts, is required to continue to receive reimbursement from the Administrative Office of Courts.

Sincerely,

A handwritten signature in blue ink, appearing to read "Lisa Counts".

Lisa Counts, Deputy Director  
Administrative Office of Courts
