Re: Reimbursement for Removal of Tree on Right-of-Way
548 Lake Cavalier Road

The Engineering Department requests direction from the board as to whether to reimburse Mr. Bobby Dye for the cost of removing a large dead oak tree on county right-of-way in front of his residence. The invoice for removal is attached.

Personnel from both the Engineering Department and the Road Department looked at the tree and determined that it was dead and that it was on County right-of-way for Lake Cavalier Road.
