Madison County Board of Supervisors:

On behalf of the Madison County Foundation Board of Directors and its membership, I would like to request \$5,000 in funding for the Strategic Plan website.

This website will serve as a communication tool for committee members and a dashboard to post and track the progress of the implementation phase of the Strategic Plan.

Your investment in the Foundation has allowed the Strategic Plan to grow from an idea into implementing this plan with functioning task force committees.

Thank you for your support and consideration.

*Sincerely,*

*Gail Pittman  
Chairman  
Madison County Foundation*
