Re: Request of Approval
Ordering of New Department Vehicle

Due to production ceasing September 15, 2013, we have found it necessary to locate a vehicle for our department that meets the specification elsewhere. We have located such vehicle and have obtained the necessary quotes that are both within the proposed upcoming budget. In order to secure the vehicle, we must seek approval now from the Board for the authority to order the vehicle. This will come from the next year's budget expenditures.
