Subject: City of Ridgeland Household Hazardous Waste Day

Gentlemen:

Ridgeland Public Works Director Mike McCollum called and emailed Friday asking that the County agree to fund the annual Household Hazardous Waste Day via a state Solid Waste Assistance Grant that the County is eligible to receive. The application deadline is October 1. The County has applied for and received the grant for Ridgeland the past two years.

It is my recommendation that the board approve the request as stated in Mr. McCollum's attached email and authorize me to apply for and execute the grant application.

Sincerely,

Hardy Crunk
Purchase Clerk
