Re: Consultant Selection for CE&I Services  
Reunion Parkway, Phase 2

A selection committee consisting of the County Administrator, County Engineer and Assistant County Engineer met on August 4, 2022, to evaluate the 3 proposals received. The selection committee determined that Waggoner Engineering scored the highest on the selection requirements outlined in the advertisement for proposals and thus recommends the Board select Waggoner Engineering to perform the services and authorize the County Engineer to begin contract negotiations.
