Re: Request for Time Extension
Catlett Road Improvements
PROJECT NO: STP-6984-00(001)LPA/108169-701000
COUNTY: Madison

Dear Ms. Callender,

Madison County is currently acquiring right-of-way for the Catlett Road Improvements project. To date Madison County has met the deadline for the Environmental Document approval, held a Field Review with MDOT, addressed comments from the Field Review, completed maps and deeds and appraisals, contacted all landowners, and is working diligently on the acquisition process.

Based on the project schedule for the referenced project, we are to have all Right-of-Way acquired by October 31, 2022. At this time, we do not anticipate meeting this deadline and would respectfully request that the deadline for completion of the Right-of-Way phase of the project be extended by one year as granted in the Jackson Metropolitan Planning Organization – Prospectus (May, 2022) Section 207.04 (6) which allows such extension.

If you have any questions, please contact Mr. Tim Bryan at 601-790-2520.

Sincerely,

Paul Griffin, President
Madison County Board of Supervisors
