Greg and Scott:

Thank you both for the County's communication regarding setting the public hearing my client Chestnut Hill requested for its appeal on Nov. 21. See attachments. As you know, there has been some discussion the possibility of continuing this matter to the Dec. 19 board meeting. On behalf of my client, I reached out to Mr. Smith, the attorney for the rezoning applicants Jeff Cox and the Shire at Livingston, and he and I spoke today. They have no objection to the continuance request. In the meantime, the Parties will try to see if they can resolve the matter.

I hope that this email will suffice as an official communication about this matter, but please let me know if you require a formal letter or anything else, and I will be happy to provide it to you.

Thank you again.
