Dear Drew,

Per our conversation today, Terry Service Inc. is requesting a rate increase on our contract from \$105.00 and \$35.00 per trip charge to \$115.00 per hour and \$50.00 per trip charge.

This request is due to the increase in costs we have been experiencing overall in our business. Please let me know if this is acceptable. Please call with any questions. As always, we appreciate your trust you place in our company.

Sincerely,

Billy Boykin
EBS
