Greg,

The walking park in front of Madison County Nursing Home is near completion. We expect it to be completed around the end of the year, but this is weather dependent.

The Madison County Nursing Home Board of Trustees has decided to name the new park Robert Martin Four Seasons Park.

Mr. Martin served on the Madison County Nursing Home Board of Trustees for approximately 20 years and was President of the Board for about half of that time. The assisted living facility on the property is called Seasons and the four resident halls in the nursing home are called Spring, Summer, Autumn and Winter.

Our Board asked for you to inform the Madison County Board of Supervisors.

Thank you,

And if you have any questions or concerns, please let me know,

Daniel Logan  
Administrator  
Madison County Nursing Home  
P.O. Box 488  
Canton, MS 39046
