AND THE CITY OF GLUCKSTADT, MISSISSIPPI REGARDING THE TERMINATION OF
ALL PREVIOUS COOPERATIVE AGREEMENTS CONCERNING ROUTINE REPAIRS AND
MAINTENANCE OF MUNICIPAL ROADS AND BRIDGES

This Memorandum of Understanding (MOU) is voluntarily made and entered into by and between Madison County, Mississippi, a political subdivision of the State of Mississippi (the "County"), and the City of Gluckstadt, Mississippi, a municipal corporation, organized and existing under the laws of the State of Mississippi (the "City"), on the date set forth hereunder

RECITALS

WHEREAS, a Memorandum of Understanding between County and City, in which County agreed to undertake the responsibility of routine maintenance of roads and bridges within the City, in consideration for a return to County of certain funds due to City pursuant to §65-15-21 MS Code of 1972 (Annotated), for the purpose of reimbursing County for costs expended in the performance of said maintenance activities, was reached between City and County on or about MARCH 8, 2022, said agreement being hereto attached as Exhibit "A"; and

WHEREAS, a subsequent agreement between City and County was reached, on or about AUGUST 9, 2022, which authorized County to return to City an amount specified in the agreement as being "no more than Thirty-Five Thousand Dollars (\$35,000.00)", from City funds held by County, the purpose of which was to allow City to self-execute the repair of certain sinkholes and related drainage maintenance issues within the City, which were considered as not being included in the original scope of work under the aforesaid maintenance agreement, said amended agreement being attached hereto as Exhibit "B"; and

WHEREAS, City and County having previously agreed that both MOU's, as described herein, would remain in force for a limited time, and would terminate, abate, and expire on September 30, 2023; and

WHEREAS, now, the City being confident of its growing capacity and abilities to repair and to maintain the streets and bridges within its municipal jurisdiction, wishes to undertake the unilateral responsibility of doing so, and thereby parties being in mutual accord that the two previous agreements should be terminated and rescinded, upon the approval of the governing bodies of both City and County of this Memorandum of Understanding, and

WHEREAS, upon execution of this Memorandum of Understanding, any remaining funds held by County pursuant to the two previous agreements, pursuant to §65-15-21 MS Code of 1972, will be immediately returned and reimbursed to City by County, upon due consultation by and between the Clerk of the City of Gluckstadt, and the Chief Financial Officer of Madison County, concerning the exact amount of funds remaining in the fund account; and

WHEREAS, in the spirit of cooperation, City and County agree that all functions, responsibilities, duties, and processes which previously obligated County to repair and maintain roads and bridges in City, shall cease upon the execution of the instant agreement, and that all funds being held by County, pursuant to the two previous agreements, shall be returned to City by County, and that County shall bear no liability for any accidents, incidents or claims, of any nature, that might originate from road repairs and maintenance actions within the City of Gluckstadt, after the approval of this agreement, and that Gluckstadt assumes, and will perform the responsibility of repairing and maintaining all of the roads and bridges within the boundaries of its municipality, without any participation by County, unless independent arrangements to do so in the future, are agreed between the parties.

THEREFORE, BE IT ORDERED AND AGREED, between City of Gluckstadt and Madison County, that the previous agreements attached hereto as Exhibit "A" and Exhibit "B", are to be rescinded, terminated and abated, after the approval of this Memorandum of Understanding by both parties hereto, and upon the recording of same upon the official minutes of each party.

BE IT FURTHER ORDERED and AGREED, that any and all City funds being held by County, and owing to City pursuant §65-15-21 MS Code of 1972, being consistent with the understanding of the parties under the two previous agreements, are to be tendered, returned and reimbursed to City, upon due consultation between

the City Clerk of Gluckstadt, and CFO of Madison County, regarding the exact amount of funds to be tendered.

AND BE IT FURTHER ORDERED that the Mayor of Gluckstadt and the President of the Madison County Board of Supervisors are empowered to sign this agreement on behalf of the bodies, with attestation by the City Clerk of Gluckstadt and the Chancery Clerk of Madison County.

AND SPECIFIED PERIOD OF TIME**

This Memorandum of Understanding (MOU) is made and entered into by and between the Madison County, Mississippi, a political subdivision of the State of Mississippi (the "County"), and the City of Gluckstadt, Mississippi, a municipal corporation organized and existing under the laws of the State of Mississippi (the "City"), on the date set forth hereunder.

RECITALS

WHEREAS, the City is a newly incorporated municipality and currently does not have the capacity, staff and equipment to maintain the roads and bridges within its municipal boundaries and requires material assistance from the County; and

WHEREAS, the County is willing and able to cooperate with the City in executing its function to maintain the public roads and bridges within the municipal boundaries so as to remove road hazards that threaten the public health and safety of the citizens of City and County traveling within the municipality; and

WHEREAS, both City and County desire to set forth more fully the understanding of the parties with respect to the notification process required to authorize County to undertake certain repairs of City roads and bridges; and

WHEREAS, both City and County agree that City will begin and continue to take all necessary measures to build capacity such as would allow City to undertake the responsibilities for repairing municipal roads and bridges, and that this MOU is considered of short and limited duration, and will remain in effect until September 30, 2023; and

WHEREAS, until such time that City has the staff and equipment to dispatch said maintenance services, or in accordance with the term of this MOU, the City and County agree that any payments received from the County pursuant to §65-15-21 MS Code of 1972 (Annotated), shall be returned to the County, and that the County may withhold any such payments due to the City. Any funds that have been, or may have been returned to County prior to this MOU shall be settled to accounts of the County, and City shall have no claim on said settled funds.

NOW, THEREFORE IN THE SPIRIT OF COOPERATION AND IN CONSIDERATION OF THE MUTUAL BENEFITS AS OUTLINED ABOVE THE CITY AND COUNTY DO HEREBY AGREE AS FOLLOWS:

ARTICLE 1: DUTIES AND REPONSIBILITIES:

A. Responsibilities of County:

1. County, pursuant to authorized notification and proper request by City, which may be made by phone, letter, or e-mail, shall undertake to make routine repairs to roads and bridges within the municipal boundaries of City.
2. Said routine repairs are understood by parties to include, but are not limited to: filling potholes; preparing bridges for icy and inclement weather; removing obstructions and safety hazards from roadways; and conducting other similar repairs and exercises that are in the interest of public safety and convenience.
3. "Routine repairs" do not include substantial infrastructure or road construction activities such as road grading, street leveling, installing curbs and gutters, or any other such improvements that are normally the subject of budgetary or scheduled road construction activities listed within the County's Road Plan, or are the subject of Interlocal Agreements, respectively authorized between City and County. Such routine repairs also do not include removing deer carcasses from the roadways unless the carcass is impeding the normal flow of traffic such as to constitute a traffic hazard.
4. For the term of this MOU, County will perform the responsibility of repairing roads and bridges without reimbursement by City, but will retain for the term of this MOU any tax collections due to City that are normally remitted to City for road improvement activities.

B. Responsibilities of City:

1. City will notify County, by letter, phone, or by e-mail, of requests for repair or maintenance of roadways within the municipal boundaries.
2. Such notification of repair requests from City to County shall be restricted to authorized municipal officials and staff, to include the Mayor of Gluckstadt, the City Clerk, or the Municipal Engineer.
3. Requests for assistance to Madison County shall be made to the County Administrator, County Engineer, or the County Road Manager.

4. Until such time that the City has the staff and equipment to maintain the roads and bridges within the municipality, any payments received from County pursuant to §65-15-21 MS Code of 1972 (Annotated) shall be promptly returned to County.

ARTICLE II: DURATION AND TERM:

A. Term of Agreement:

1. It is anticipated that City will move forward with all deliberate speed to become fully capable of repairing streets, roads and bridges within the municipal boundaries of City, including the acquisition of necessary staff and equipment, and County agrees to cooperate for a limited period of time to repair municipal roads and bridges in the interest of public safety and convenience. This MOU will begin on the date all required signatures are affixed to the MOU, and will expire on September 30, 2023.
2. Both parties will cooperate to mutually notify one another concerning the "hand-off" and scheduling transfer of responsibilities under the MOU within 30 days of its due expiration. However, failure of mutual notification does not authorize or compel the continuation of responsibilities by County beyond the expiration date of this Agreement.
3. If City has acquired the necessary staff and equipment before the due date of expiration of this MOU, the City will give the County thirty (30) days written notice of its intention to assume repair and maintenance responsibilities and terminate this agreement.

ARTICLE III. MISCELLANEOUS:

No modification of this Memorandum of Understanding shall be binding unless such modification shall be in writing and signed by all parties. If any provision of this Memorandum of Understanding shall be held to be invalid or unenforceable for any reason, the remaining provision shall continue to be valid and enforceable. If a court finds that any provision of this Memorandum of Understanding is invalid or unenforceable, but that by limiting such provision it would become valid and enforceable, then such provision shall be deemed to be written, construed, and enforced, as so limited.
