**Subject:** Bid Opening

Good morning Jennifer,

We recently had a bid opening for police pursuit package vehicles for Madison County. We only had (1) vendor that submitted a bid proposal electronically, in which they did not meet required information listed on the specifications list. On our (Madison County) Specifications and Proposal Sheet on the last page it states *"Must Include Product Summary, Including Details of All Features and Options of Proposed Vehicle"* the vendor did not submit what was required.

Question: Should I reject the bid proposal and request to re-advertise? Please advise....

Thanks,

*Kesha Jackson*
