Subject: Award Term Bids

Gentlemen:

Attached are copies of recently-opened term bids. Asphalt products and services are for the six-month period 1 Oct 2013 – 31 March 2014. All other products and services are for the fiscal-year period 1 Oct 2013 – 30 Sept 2014.

A few notes of interest:

- The surface asphalt price decreased \$2.10 per ton, from \$61.70 to \$59.60.
- The price to lay-down asphalt increased \$1.20 per ton, from \$9 to \$10.20.
- Vulcan Materials has opened a yard in Richland, which will save time picking up washed limestone products, which were previously only available in Vicksburg.

I recommend that the Board take the following action:

1. Award the Term Bid for SC-1 ASPHALT for the period 1 Oct 2013 – 31 March 2014 to APAC-CANTON.

Note: APAC-Canton's price for SC-1 of \$59.60 is \$4.10 per ton more than Dickerson & Bowen's low bid of \$5.50; however, the round-trip haul distance to Dickerson & Bowen's Jackson plant is 50 miles greater than it is to APAC-Canton. When fuel cost, driver pay and benefits, and tires and dump-truck maintenance are calculated into the equation, the total cost to pick-up a ton of SC 1 Type II Asphalt from APAC-Canton is \$60.04 compared to \$63.16 from Dickerson & Bowen-Jackson, making APAC-Canton the "lowest and best bid." The cost per ton picked up is even greater from APAC-Jackson and ADCAMP. Detailed calculations are attached and incorporated as part of this letter by reference.

2. Award the First Alternate Term Bid for SC-1 ASPAHLT for the period 1 Oct 2013 – 31 March 2014 to Dickerson & Bowen.

3. Award the Second Alternate Term Bid for SC-1 ASPHALT for the period 1 Oct 2013 – 31 March 2014 to APAC-JACKSON.
4. Award the Term Bid for BB 1 ASPHALT for the period 1 Oct 2013 – 31 March 2014 to APAC-CANTON.

Note: APAC-Canton's price for BB-1 of \$53 is \$2 per ton more than APAC-Jackson's low bid of \$51; however, the round-trip haul distance to APAC-Jackson is 55 miles longer than to APAC-Canton. When fuel cost, driver pay and benefits, and tires and dump-truck maintenance are calculated into the equation, the total cost to pick-up a ton of BB 1 Asphalt from APAC-Canton is \$53.44 compared to \$59.22 from APAC-Jackson, making APAC-Canton the "lowest and best bid. The same calculations hold true for Dickerson & Bowen. Detailed calculations are attached and incorporated as part of this letter by reference.

5. Award the First Alternate Term Bid for BB 1 ASPHALT for the period 1 Oct 2013 – 31 March to Dickerson & Bowen.

Note: Dickerson & Bowen's price of \$51.50 is 50 cents higher than APAC-Jackson's price for BB-1 of \$51; however, the round-trip haul distance to APAC-Jackson is 1.9 miles greater than to APAC-Jackson. When fuel cost, driver pay and benefits, and truck tires and maintenance are calculated into the equation, the total cost to pick-up a ton of BB 1 Asphalt from Dickerson & Bowen is \$59.16 compared to \$59.22 from APAC-Jackson, making Dickerson & Bowen the "lowest and best" First Alternate Term Bid. Detailed calculations are attached and incorporated as part of this letter by reference.

6. Award the Second Alternate Term Bid for BB 1 ASPHALT for the period 1 Oct 2013 – 31 March 2014 to APAC-JACKSON.
7. Award the Term Bid for LIQUID ASPHALT for the period 1 Oct 2013 – 31 March 2014 to Blackledge.
8. Award the First Alternate Term Bid for LIQUID ASPHALT for the period 1 October 2013 – 31 March 2014 to ERGON.
9. Award the Term Bid for COLD MIX for the period 1 Oct 2013 – 31 March 2014 to APAC-Jackson.

Note: APAC-Jackson's price of \$122.50 is \$22.50 higher than Dickerson & Bowen's low bid of \$100; however, the round-trip haul distance to Dickerson & Bowen's Cold Mix plant in McComb is 210 miles compared to 56.4 miles round trip to APAC-Jackson. When fuel, driver pay and benefits, and tires and dump-truck maintenance are calculated into the equation, APAC-Jackson is far and away the "lowest and best bid".

10. Award the Term Bid for ROAD RECLAMATION 4-INCH DEPTH for the period 1 Oct 2013 – 31 March 13 to APAC-JACKSON.
11. Award the First Alternate Term Bid for ROAD RECLAMATION 4-INCH DEPTH for the period 1 Oct 2013 – 31 March 13 to ADCAMP.

12. Award the Term Bid for ROAD RECLAMATION 8-INCH, 12-INCH, 18-INCH, AND 24-INCH DEPTH for the period 1 October 2013 – 31 March 2013 to ADCAMP.
13. Award the Term Bid for HAULING AND LAYING ASPHALT for the period 1 Oct 2013 – 31 March 2014 to ADCAMP.
14. Award the First Alternate Term Bid for HAULING AND LAYING ASPHALT for the period 1 Oct 2013 – 30 March 2014 to Hancock.
15. Award the Second Alternate Term Bid for HAULING AND LAYING ASPHALT for the period 1 Oct 2013 – 31 March 2014 to APAC-JACKSON.
16. Reject Dickerson & Bowen's bid for HAULING AND LAYING ASPHALT for the period 1 Oct 2013 – 31 March 2014 due to the company's failure to meet the specifications. The company did not bid on hauling and laying asphalt from the county's selected asphalt vendor as required by the specifications.
17. Award the Term Bid for CR-610/DBA BASE, both picked up and delivered, for the period 1 Oct 2013 – 30 Sept 2014 to LaFarge-Canton.

Note: LaFarge-Canton's price is higher per ton than the other three bidders; however, when fuel, truck maintenance, and driver pay and benefits are calculated into the equation, LaFarge-Canton is the "lowest and best bid." Detailed calculations are attached and incorporated by reference as part of this letter.

18. Award the First-Alternate Term Bid for CR-610/DBA BASE, both picked up and delivered, for the period 1 Oct 2013 – 30 Sept 2014 to Vulcan.

Note: Vulcan is higher per ton than the remaining two bidders; however, when fuel, truck maintenance, and driver pay and benefits are calculated into the equation, Vulcan is the "lowest and best" First Alternate Term Bid. Detailed calculations are attached and incorporated by reference as part of this letter.

19. Award the Term Bid for Rip-Rap, both picked up and delivered, for the period 1 Oct 2013 – 30 Sept 2014 to LaFarge-Canton.

Note: LaFarge-Canton's price is higher per ton than Miller Materials (Vicksburg); however, when fuel, truck maintenance, and driver pay and benefits are calculated into the equation, LaFarge-Canton is the "lowest and best bid." Detailed calculations are attached and incorporated by reference as part of this letter

20. Award the First-Alternate Term Bid for Rip-Rap, both picked up and delivered, for the period 1 Oct 2013 – 30 Sept 2014 to Vulcan (Richland).

Note: Vulcan is higher per ton than Miller Materials and LaFarge-Vicksburg; however, when fuel, truck maintenance, and driver pay and benefits are

calculated into the equation, Vulcan is the “lowest and best” First Alternate Term Bid. Detailed calculations are attached and incorporated by reference as part of this letter

21. Award the Term Bid for #57 Washed Limestone, both picked up and delivered, for the period 1 Oct 2013 – 30 Sept 2014 to Vulcan.

Note: Vulcan is higher per ton than the other two bidders; however, when fuel, truck maintenance, and driver pay and benefits are calculated into the equation, Vulcan is the “lowest and best bid.” Detailed calculations are attached and incorporated by reference as part of this letter

22. Award the Term Bid for #57 Non-Washed Limestone, both picked up and delivered, for the period 1 Oct 2013 – 30 Sept 2014 to LaFarge-Canton.

Note: LaFarge-Canton’s price is higher per ton than Miller Materials’ bid; however, when fuel, truck maintenance, and driver pay and benefits are calculated into the equation, LaFarge-Canton is the “lowest and best bid.” Detailed calculations are attached and incorporated by reference as part of this letter.

23. Award the First Alternate Term Bid for #57 Non-Washed Limestone, both picked up and delivered, for the period 1 Oct 2013 – 30 Sept 2014 to Miller Materials.

24. Award the Term Bid for #89 Washed Limestone, both picked up and delivered, for the period 1 Oct 2013 – 30 Sept 2014 to Vulcan.

Note: Vulcan is higher per ton than LaFarge-Vicksburg; however, when fuel, truck maintenance, and driver pay and benefits are calculated into the equation, Vulcan is the “lowest and best bid.” Detailed calculations are attached and incorporated by reference as part of this letter.

25. Award the First Alternate Term Bid #89 Washed Limestone, both picked up and delivered, for the period 1 Oct 2013 – 30 Sept 2014 to Miller Materials.

26. Award the Term Bid for #89 Non-Washed Limestone, both picked up and delivered, for the period 1 Oct 2013 – 30 Sept 2014 to LaFarge-Canton.

27. Award the Term Bid for Washed Road Gravel for the period 1 October 2013 to 30 September 2014 to Hammett Gravel.

28. Award the Term Bid for Fill Dirt for the period 1 October 2013 to 30 September 2014 to Goodloe Construction Company LLC.

29. Award the Term Bid for Mud-Jacking for the period 1 Oct 2013 – 30 Sept 2014 to Murray Mud-Jacking Services, Inc.

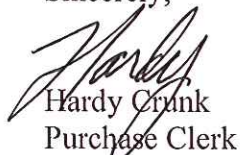

30. Award the Term Bid for Concrete Construction for the period 1 Oct 2013 – 30 Sept 2014 to Bulldog Construction Company.

31. Award the Term Bid for Road Striping for the period 1 Oct 2013 – 30 Sept 2014 to Traffic Control Products Co., Inc.
32. Award the Term Bid for Polyethylene Pipe & Couplings for the period 1 Oct 2013 – 30 September 2014 to Advance Drainage Systems (ADS).

Note: Two bids were received for polyethylene pipe. One was from ADS, who is the manufacturer; the other was G&O, an ADS distributor. Both bids were for the exact same products at the exact same prices. ADS' bid allows any of their distributors to use their pricing. After consulting with the state auditor's office, I recommend that the board find that ADS is the "lowest and best bid" due to the fact that it allows their products to be bought at the same price from any of their distributors, including the other bidder.
33. Award the Term Bid for Coated Corrugated Metal Pipe for the period 1 Oct 2013 – 30 Sept 2014 to G&O Supply.
34. Award the Term Bid for Bridge Construction and Repair for the period 1 Oct 2013 – 30 Sept 2014 to Key LLC.
35. Award the Term Bid for Concrete Bridge Slabs for the period 1 Oct 2013 – 30 Sept 2014 to Hanson Pipe & Precast, Inc.

Thank you in advance for your consideration of the above recommendations

Sincerely,

Hardy Crunk
Purchase Clerk

BID ATTACHMENT

To be able to provide the best possible service for Madison County, the bid dated September 24, 2013 by Advanced Drainage Systems, Inc can also be serviced by any ADS / Hancor authorized distributor.

We would like for Madison County to accept our bid as a guarantee for the price quoted. At the same time, we urge the County to take advantage of our ADS / Hancor distribution network throughout the State of Mississippi. The County can take advantage of this network by ordering their pipe from any of our authorized ADS / Hancor distributors. Many of our distributors have a local presence including inventory and delivery trucks to be able to provide the HDPE pipe exactly when and where the County needs it. This way the County will receive the best of both worlds: price and service.

To make sure that the County is aware of the authorized ADS / Hancor distributors in their area, the local distributors will submit a letter from ADS / Hancor as proof of their authorization. This authorization letter will be accompanied by the local distributor's contact information needed by the County to place orders.

We are hoping that this program dramatically increases our service to Madison County. We look forward to earning your business.

A handwritten signature in black ink, appearing to read 'Al Gibbs, III'.

Madison County:

G & O Supply Company, Inc. is an Authorized Distributor for ADS/Hancor HDPE Pipe and Fittings. We are a locally owned Mississippi Corporation based in Tupelo, Mississippi with 4 locations throughout the State in Jackson, Tupelo, Saucier, and Byhalia.

G & O Supply has been providing drainage pipe to Mississippi Counties and Cities for over 50 years. We are committed to providing the best possible service at competitive prices to our customers. With a complete inventory of HDPE pipe and fittings in sizes of 4" to 60" at each location, we can provide a fast turn-around on orders throughout our coverage area.

As Authorized Distributors of ADS/Hancor, G & O Supply Company would like to be your choice as the Servicing Distributor for your county. If selected we will provide prompt delivery on all standard orders with less than 24 hour service for emergency orders at bid prices submitted by ADS/Hancor for HDPE pipe and fittings. Additionally, if requested, we will offer professional guidance and Engineering services on special projects and new products.

Respectfully Submitted,

Davis M. Broadwater
