Re: Lake Crossing Subdivision
NW 1/4 Section 14, T7N-R1E

Dear James,

The Madison County Board of Supervisors approved the preliminary plat of Lake Crossing, and at that meeting Trey Heagle explained that the excess material would be removed from the subdivision site by way of Greens Crossing Road. The development of this subdivision would not be possible without the removal of the excess material.

Sincerely,

p.p. Scott Weeks, Administrative Assistant
Planning and Zoning
