Dear Mr. Griffin:

The Community Incentives Division has completed its review of the FY 2022 Community Development Block Grant applications (CDBG) submitted in the Public Facilities category. We received 20 applications in the Regular competition, requesting \$10,898,511.15 for Program Year 2022 from an allocation of \$3,750,000. We received 55 applications in the Small Government category, requesting \$30,068,820.56 from an allocation of \$8,864,008.

The limitations on CDBG funds make the selection process very competitive. Based upon the review and the rating process conducted by our staff, your application did not rate within the funding range.

Thank you for your interest in the Community Development Block Grant program. We look forward to working with you in the future.

Sincerely,
