From: Kesha Jackson, Purchasing Clerk 
Subject: Consideration of Declaration of Sole Source for Asphalt Paver

The Madison County Road Department has requisitioned for Scott Equipment to replace a circuit board on the Volvo Paver. As the attached letter, indicate that Scott Equipment is the only license Volvo repair shop in the State of Mississippi.

I recommend that the board declare this as Sole Source and authorize the issuance of a purchase order to Scott Equipment for \$7,700.79 for said replacement of a circuit board on the Volvo Paver per the attached quote.

Thank you in advance for your consideration of the above recommendation.

Good Morning Kesha,

We were unable to get a second quote for the Scott Equipment requisition as Scott Equipment is the only local vendor that can repair the asphalt paver. Scott Equipment is the Volvo dealer for MS and the paver is a Volvo product. Attached to the requisition is an email from Volvo regarding this. We need it classified as a sole source item and to get necessary approvals.

Thanks
