RE: Sole Source

To whom it may concern:

Pierce® was founded as Auto Body Works in 1913 and became incorporated in 1917. The first fire truck was built in 1939 and since, Pierce Manufacturing Inc. ("Pierce") has provided the finest fire apparatus in the industry. When you invest in Pierce fire apparatus, you invest in unrivaled longevity, safety, community, and a relentless customer-focused mentality:

- 23 dealerships with 960+ dedicated service professionals
- 100+ regional service facilities and 150+ mobile service vehicles in North America

The quality of our products and services are our number one priority alongside our Customers. To provide you with the personalized level you deserve, Emergency Equipment Professionals ("EEP") is the exclusive dealer for the sale, service, parts, and warranty of custom and commercial fire apparatus manufactured by Pierce in the states of Alabama and Mississippi.

EEP is extremely qualified to provide you with the support you have come to expect from Pierce and has service & warranty facilities located in several locations as shown to provide the first-class customer service support the Pierce family has been known for.
