Re: Utility Relocation  
Reunion Parkway, Phase 3

The Engineering Department recommends approval of the attached quote for \$13,518.08 from Entergy Mississippi to relocate an existing service line on private easement that is in conflict with the Reunion Phase 3 project. It is also requested that the Comptroller be authorized to issue payment for this relocation prior to the actual relocation as required by Entergy.

Electrical Service Reroute for:  
Reunion Parkway Extension/Gross Rd

To Whom it May Concern,

Entergy has received a request to move existing facilities underground for the new road project located where Reunion Parkway Extension will be crossing Gross Road in the City of Madison. The work will entail moving one span of primary underground, which includes trenching, laying down conduit, and pulling in the wire among other things associated with the job. The total cost for the relocation underground is \$13,518.08.

Sincerely,
