MEMORANDUM

February 15, 2023

To: Sheila Jones, Supervisor, District I
Trey Baxter, Supervisor, District II
Gerald Steen, Supervisor, District III
Karl Banks, Supervisor, District IV
Paul Griffin, Supervisor, District V

From: Tim Bryan, P.E.
County Engineer

Re: Addendum to Right-of-Way Permit
MDOT Right-of-Way Permit, Form MND-004
Bridge over MDOT Right-of-Way for Reunion Parkway Phase 2

The Engineering Department requests that the Board approve the attached Addendum to the Right-of-Way permit originally approved on July 18, 2022. This Addendum obligates the County to maintain anything located within the MDOT right-of-way associated with this permit application.

At the request of MDOT, this language is to be added to the original permit documents.

ADDENDUM TO PERMIT APPLICATION

Should the County fail to maintain the structures, appurtenances, and facilities installed in the right of way as described by the plans, the Commission reserves the right to perform the necessary maintenance and repairs. Should the Commission find it necessary to perform repairs due the failure of the County to do so, then the Commission will present the County a statement that sets out the costs of MDOT's labor, equipment and materials. The County will then have forty-five days to pay unto MDOT the amount of the cost billed by MDOT. Should the County fail to remit payment within the allotted time, then the Commission may withhold any other funds due unto the County for any purpose.
