**SPECIAL TERMS AND CONDITIONS FOR ASSISTANCE AGREEMENT
(Local Governments Solid Waste Assistance Grants Program)**

1. Method of Payment

Reimbursement shall be the method of payment. The Recipient shall submit the completed Attachment A - Request for Payment form and additional documentation for verification of the service or work performed or the purchases made, prior to payment being issued by the Mississippi Department of Environmental Quality (MDEQ). The Request for Payment forms and supporting documentation generally will be submitted to MDEQ on a quarterly basis or as funds are otherwise expended and shall include a report of activities to date, (i.e., unauthorized dump sites cleaned, wastes disposed, HHW collected, hours worked, etc.). The Recipient shall submit a Request for Payment for eligible program activities performed through June 30 of each year (the end of the state fiscal year) no later than July 31 of that year. All requests for payment related to this grant agreement shall be submitted to MDEQ no later than forty-five (45) days after the expiration date of the grant agreement after which time, the grant agreement will be considered closed and funds will no longer be available to the Recipient. Funds utilized and/or disbursed under this grant award shall be consistent with the Recipient's approved grant application, incorporated herein by reference. This clause shall supercede Clause 5, Method of Payment of the Standard Terms and Conditions.

2. Grant Administration Costs

Under the terms of state law, the Recipient is eligible to use up to three percent (3%) of funds provided through this grant to defray the costs of administration of the grant. No Request for Payment will be processed for grant administration costs that total more than 3% of the grant award.

3. Unauthorized Dump Clean-Up Projects

For grant projects involving the clean-up or abatement of an unauthorized dump(s), the Recipient shall make a reasonable effort to determine the person(s) responsible for creating or causing the unauthorized dumping. If the responsible persons are determined, the Recipient shall make a reasonable effort to require that person to clean up the property before expending any funds from this grant award to clean up the property. If the Recipient is unable to locate the person responsible for creating the dump or if the Recipient determines that person is financially or otherwise incapable of cleaning up the property, the Recipient may use the funds from the grant award to clean-up the property. Upon completion of the clean-up and the determination of the costs of the clean-up, the Recipient shall make a reasonable effort to recover any funds expended from the responsible person.

In addition, where the Recipient is seeking the reimbursement of equipment expenses used in the clean-up activities of an unauthorized dump(s), the Recipient shall develop its request for reimbursement utilizing the established equipment rates of the most recently released version of the FEMA Schedule of Equipment Rates, (unless another alternative rate or schedule is approved by MDEQ). All equipment and personnel expenses involved in the unauthorized

dump clean-up activities and requested for reimbursement shall be commensurate with the size, location and types of wastes encountered in the clean-up of the dump.

4. Solid Waste Enforcement Officer Projects

For projects that involve the employment of a local solid waste enforcement officer, the Recipient agrees to provide MDEQ with the following information, upon the selection or designation of the enforcement officer:

- a) Name, address, telephone number, fax number, and, e-mail address for the enforcement officer(s);
- b) Detailed description of the duties and responsibilities for the enforcement officer(s).

Should the enforcement officer(s) be replaced or should the officer's information change, the Recipient shall provide an update to the information described above upon selection of the replacement or upon change in the information.

The Recipient further agrees that the enforcement officer shall be required to investigate local solid waste complaint related matters, which may be directed to the enforcement officer by MDEQ or through direct public complaints. The Recipient also agrees that the Recipient and the officer employed will adhere to the Local Solid Waste Enforcement Officers Duties and Procedures guidance document prescribed by MDEQ.

5. Household Hazardous Waste Collection Project (HHW)

For projects that involve conducting a household hazardous waste (HHW) collection event, the Recipient shall conduct the HHW project in accordance with Sections 17-17-439 through 17-17-445 and the Mississippi "Right-Way to Throw Away Program."

The Recipient shall provide to MDEQ a comprehensive summary report following the HHW collection day event which would include, at a minimum, the following:

- a) Description of the public notification efforts for the event;
- b) Amounts of waste collected, by type;
- c) Cost summary;
- d) Number of residents participating in the HHW collection day event.
- e) A summary of any special issues or needs identified in the event.

The Recipient shall ensure that all hazardous materials collected are managed and disposed by qualified contractor(s) who are properly licensed and approved by all applicable regulatory agencies to manage the hazardous materials.

6. Disposal of Wastes

The final disposal of solid wastes from the clean-up of unauthorized dumps or from other collection activities funded by this grant shall be conducted in accordance with existing solid waste disposal laws and regulations. The preferred method of disposal shall be the removal of the wastes to a legitimate recycling facility where feasible, to a permitted solid waste landfill, to a permitted rubbish landfill, to a hazardous waste management facility or to another authorized waste management facility as appropriate. In limited circumstances and where conditions warrant, the Recipient, upon concurrence from MDEQ, may abate an unauthorized dump by on-site burial of such wastes as allowed by state law. Such on-site burial of wastes shall be considered by MDEQ on a case-by-case and shall be limited to nonhazardous wastes.

STANDARD TERMS AND CONDITIONS FOR ASSISTANCE AGREEMENTS

1. Workplan

The workplan (grant application) constitutes the Recipient's and MDEQ's commitment to accomplish the program goals and objectives. MDEQ's review and evaluation of performance under this agreement and MDEQ's response to the findings of oversight will be carried out in accordance with the stated policies.

2. Expenditure Commitment

The Recipient commits to expend the funds awarded in this agreement and to complete the funded project in accordance with the workplan included in this grant application (workplan) and incorporated into this agreement by reference.

3. Financial Management

MDEQ requires that Recipients have in place, prior to the receipt of funds, a financial management system that will be able to isolate and trace every grant dollar from receipt to expenditure and have on file appropriate support documentation for each transaction. Examples of documentation are vendor invoices, bills of lading, payment vouchers, payrolls, bank statements and reconciliations.

4. Audit: Access to Records

Recipient assures that it will give MDEQ, the Comptroller General of the United States, and the State of Mississippi, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the award; will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives; and will retain all required records relating to this agreement for three years after project completion and all other pending matters are closed.

5. Method of Payment

Reimbursement shall be the preferred method of funding. Recipients shall be paid a predetermined sum for services/work performed. Recipient shall submit a Request for Payment, as provided in Attachment A, and additional documentation for verification of service/work performed prior to payment being issued. In special cases, funding advances may be allowed, subject to approval by MDEQ. Requests for Payment and applicable supporting documentation shall be submitted to MDEQ upon project completion. All requests for payments related to this grant shall be submitted to MDEQ no later than forty-five (45) days after the expiration date of the grant.

6. Final Payment

Pursuant to satisfactory completion of the work performed under this agreement as may be determined by final inspection, and as a condition before final payment under this agreement or as termination settlement under this agreement, the Recipient shall execute and deliver to MDEQ a release of all claims against MDEQ arising under, or by virtue of, this agreement, except claims which are specifically exempted by the Recipient to be set forth therein. Such release is provided in Attachment B of this agreement. Unless otherwise provided in this agreement, by state law, or expressly agreed to by the parties in this agreement, final payment under this agreement or settlement upon termination of this agreement shall not constitute waiver of MDEQ's claims against the Recipient or his sureties under this agreement or applicable performance and payment of bonds.

7. Procurement

Recipient shall comply with purchasing guidelines established in 31-7-13 of the Mississippi Code in the procurement of commodities and services.

8. Disadvantaged Businesses

Recipient will ensure that its best efforts will be used in making available to minority businesses a minimum of 5% of the grant funds that may be expended as necessary in obtaining any supplies, construction, equipment, or services in completing the project detailed in the Workplan.

9. Title to Real Property, Equipment and Supplies

Unless otherwise agreed to, title to any real property, equipment and supplies that may be acquired under this agreement shall vest upon acquisition in the Recipient. Real property, equipment and supplies shall be used by the Recipient in the program or project for which it was acquired as long as needed, whether or not the project or program continues to be supported by grant funds.

10. Changes and Amendments

Changes may be made to the agreement in relation to the effective period of the agreement, the total amount of the agreement, budgetary categories associated with the funding of the agreement, and the work to be performed as defined in the work plan. Such changes shall be constructively made by way of a formal agreement amendment, which shall require written approval of the Executive Director of MDEQ prior to any such changes being made. Changes which affect the total amount of the agreement may also require prior approval by the Commission on Environmental Quality.

11. Recycled Paper

Recipient agrees to use recycled paper for all reports which are prepared as a part of this agreement and delivered to MDEQ.

12. Gratuities

- A. If MDEQ finds, after a notice and hearing, that the Recipient or any of the Recipient's agents or representatives offered or gave gratuities (in the form of entertainment, gifts or otherwise) to any employee, official or agent of MDEQ, the state agency providing funds used in this agreement in an attempt to secure a agreement or favorable treatment in awarding, amending or making any determination related to the performance of this agreement, MDEQ may, by written notice to the Recipient, terminate this agreement. MDEQ may also pursue other rights and remedies that the law or this agreement provides. However, the existence of the facts on which MDEQ bases such findings shall be in issue and may be reviewed in proceedings under the Remedies clause of this agreement.
- B. In the event this agreement is terminated as provided in paragraph A., MDEQ may pursue the same remedies against the Recipient as it could pursue in the event of a breach of the agreement by the Recipient, and as a penalty, in addition to any other damages to which it may be entitled by law, be entitled to exemplary damages in an amount (as determined by MDEQ) which shall be not less than three nor more than ten times the costs the Recipient incurs in providing any such gratuities to such officer or employee.

13. Publication and Publicity

- A. Recipient may publish results of its participation pursuant to this agreement after prior review by and consent by MDEQ's Project Manager provided that (1) such publications acknowledge that the program is supported by funds granted by MDEQ, and (2) that one (1) copy of the publication is furnished to MDEQ.
- B. Recipient shall use its best efforts to ensure that any publicity received by the Recipient as a result of the work funded by this agreement shall acknowledge that the program is supported by funds granted by MDEQ.

14. Hold Harmless for Personnel Claims

To the extent permitted by Mississippi law, recipient agrees to indemnify, save and hold harmless the Mississippi Commission on Environmental Quality, MDEQ and the state of Mississippi, as well as their employees, from and against any and all losses, claims, debts, demands, damages, suits or actions at law, judgments, and costs, including attorney's fees, or expenses on the part of MDEQ or MDEQ's agents or employees arising out of or attributable to work performed under this agreement or the use of facilities or equipment provided to Recipient under the terms of this agreement.

15. Assurances

The Recipient certifies that:

- A. It maintains the legal authority to apply for state assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-state share of project costs) to ensure proper planning, management and completion of the project described in the grant application.
- B. It is not presently debarred, suspended, proposed for debarment, declared ineligible from participating in government projects; has not within a three year period preceding this application been convicted of or had a civil judgment rendered against it for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing public transactions; has not within a three year period preceding this proposal been convicted of violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements or receiving stolen property; is not presently indicted or otherwise criminally or civilly charged by a government entity with commission of any of the offenses enumerated herein; and has not within a three year period preceding this application had one or more public transactions terminated for default.
- C. It will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
- D. It will comply with all applicable requirements or State and Federal laws, executive orders, regulations and policies governing this program.
- E. The Recipient shall maintain current permits and approvals necessary from applicable regulatory agencies to carry out the project/program activities.

16. Enforcement

- A. If a Recipient materially fails to comply with any term of an award, whether stated in Federal and State statute or regulation, an assurance, in a State plan or application, a notice of an award, or elsewhere, MDEQ may take one or more of the following actions, as appropriate in the circumstances:
 - 1. Temporarily withholding payments pending correction of the deficiency by the Recipient or more severe enforcement by MDEQ;
 - 2. Disallow (that is deny both use of funds and matching credit for) all or part of the cost of the activity of action not in compliance;
 - 3. Wholly or partly suspend or terminate the current award for the Recipient's program.

4. Withhold further awards for the program, or
 5. Take other remedies that may be legally available.
- B. In taking an enforcement action, MDEQ will provide the Recipient an opportunity for such hearing, appeal, or other administrative proceeding to which the Recipient is entitled under any statute or regulation applicable to the action involved.
- C. Costs of Recipient resulting from obligations incurred by the Recipient during a suspension or after termination of an award are not allowable unless MDEQ expressly authorizes them in the notice of suspension or termination or subsequently. Other Recipient costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:
1. The costs result from obligations which were properly incurred by the Recipient before the effective date of suspension or termination, are not in anticipation of it, and in the case of a termination, are non-cancelable, and
 2. The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

17. Termination for Convenience

This agreement may be terminated in whole or in part as follows:

- A. By MDEQ with the consent of the Recipient in which case the two parties shall agree upon the termination conditions, including the effective date and in the case of a partial termination, the portion to be terminated; or
- B. By the Recipient upon written notification to MDEQ, setting forth the reasons for such termination, the effective date, and in the case of a partial termination, the portion to be terminated. However, if, in the case of a partial termination, MDEQ determines that the remaining portion of the award will not accomplish the purposes for which the award was made, MDEQ may terminate the award in its entirety under paragraph A. of this section.

18. Counterparts

This agreement may be executed in counterparts, each of which shall be deemed an original but all of which together shall be deemed to be one and the same agreement. A signed copy of this agreement delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this agreement.

19. Remedies

Unless otherwise provided in this agreement, all claims, counter-claims, disputes and other matters in question between MDEQ and the Recipient arising out of, or relating to, this agreement or the breach of it will be decided in a court of competent jurisdiction within the State of Mississippi. Before pleading to the Mississippi judicial system at any level, the Recipient must exhaust all administrative remedies in effect on the date the agreement giving rise to the dispute was executed.
