Good afternoon,

My name is Davis Gates and I am the Legal and Policy Advisor for Central District Commissioner Brent Bailey at the Public Service Commission. I am reaching out to request the use of the Madison County Board of Supervisors Board Room for May 11th, 2023, at 5:30 pm for the hearing of Ragsdale Solar, LLC's petition for a certificate authorizing it construct and operate a Solar Electric Generating Facility in Madison County. The Public Service Commission holds these hearings in the county directly impacted, since this is a taxable facility that could benefit or otherwise impact Madison County. We look forward to hearing from you regarding the reservation of the Board Room. Please let me know if you have any additional questions.

Respectfully,

Davis Gates
