Re: Shrock Road Pickens, MS 39146

On April 19, 2023 Cornelius Bacon contacted Linda Brown, Cameron Community Water System President to inform her the Madison County Employees had cut a water line while replacing an 8 inch culvert on Shrock Road in Pickens.

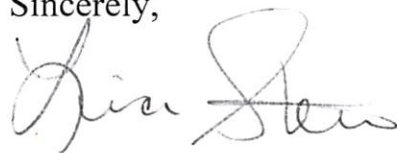

Enclosed is documentation regarding the expenses related to the damage incurred on April 19, 2023 to a two inch water line that was damaged by Madison County employees while replacing an 8 inch culvert.

The total cost of the damage is \$ 1790.00

This cost amount includes \$1290.00 for the repair by contractor (Steen's Plumbing and Digging Service) to return water service to customers of the water system. This cost amount also includes employees expenses of \$400.00 for hours making temporary arrangements to return water service to customers and monitor water after repairs were complete by contractor. This cost amount also includes a low estimated water loss \$100.

I appreciate your attention in this matter. If you have any questions, please feel free to contact me.

Sincerely,

Lisa Steen, Accounts Manager
Cameron Community Water System, Inc.
