RE: Emergency Declaration at Historic Courthouse

In accordance with Section 31-7-1 et seq. and orders of the Madison County Board of Supervisors, County Administrator Greg Higginbotham declare an emergency for repairs related to the ruptured water line on the grounds of the historic courthouse.

To prevent flooding of the grounds and potentially the building itself, water must be shut off to the building which renders the building uninhabitable. Restoring the building to a condition of usefulness is advisable, and delay incident to obtaining competitive bids would adversely impact Madison County by displacing the 20<sup>th</sup> Circuit Drug Court and Madison County Juvenile Drug Court.

Greg Higginbotham  
County Administrator
