Re: 2023 MDOT Traffic Control for Supervisor Certification Training
August 9-11, 2023
Jackson, Mississippi

The Engineering Department is requesting permission for the County Engineer and Assistant County Engineer to attend the 2023 Mississippi Department of Transportation Traffic Control for Supervisor Certification Training on August 9-11, 2023 in Jackson, MS, and pay all associated costs.

Traffic Control for Supervisor (Certification)

Description – This course provides participants with information on the safest and most efficient work zone traffic controls. This includes the application of effective design and installation concepts, using signs and markings detours, construction zones, and maintenance sites. The objectives are: (1) Describe each step involved in providing work zone traffic control; (2) Identify and apply workable concepts and techniques for designing, installing and maintaining controls in construction, maintenance, and utility operations; (3) Identify appropriate principles in design of traffic controls.

Registration Information – Registration can be completed online at: www.mdot.ms.gov/ltap/ or by completing the information below and submitting this form to the LTAP Team via email at ltap@mdot.ms.gov . **Registration is \$50. Lunch is not provided.** Substitutions may be made at any time. Any registrant requiring a reasonable accommodation during training (i.e., mobility or access) should contact the Mississippi LTAP Center prior to the course date so the appropriate arrangements can be made.

Who Should Attend? Roadway Maintenance Workers, Technicians, Supervisors, Engineers, Utility Personnel and other responsible for work zone safety on local roadways.

Instructor: Mr. Robert Weaver

Time: 8:00 a.m. – 3:30 p.m.
