Re: Street Status Change from Private to Public  
North Deerfield Drive, West Deerfield Drive, South Deerfield Drive

The Engineering Department recommends the Board accept the above mentioned streets as public streets. These streets are listed as public on the subdivision plats and were shown as publicly maintained until the 2012 road registry at which time their status changed to private. No board action could be found authorizing the change in status and all roads in the neighborhood that use these 3 streets to access either N Old Canton or Yandell Road are listed as public streets.
