Subject: Healthy Direction Screening Event

In an effort to improve overall health and wellness for Madison County Employees, Madison River Oaks Medical Center wellness representatives will conduct a **Healthy Direction Screening Event** on the following days:

Monday, 10/28/13	Tax Collector and Assessor Office	8am – 10am
Tuesday, 10/29/13	Road Department & Solid Waste	7am – 9am
Wednesday, 10/30/13	Canton Chancery (1st floor board room)	8am – 10am
Thursday, 10/31/13	Road Department & Solid Waste	7am – 9am
Friday, 11/1/13	Detention Center/Sheriff	7am – 9am
Monday, 11/4/13	Detention Center/Sheriff	7am – 9am
Tuesday, 11/5/13	Justice Court	8am – 10am
Thursday, 11/7/13	Canton Chancery (1st floor board room)	8am – 10am

Employees will have the opportunity to participate in on-site screenings and services such as vital checks (height, weight, blood pressure, and body mass index), simple labs (such as Cholesterol or Glucose, and Flu shots.) Educational materials on various health topics will also be provided.

Each individual will then receive a personalized report card, which gives a snapshot of overall health. Individuals identified as needing additional medical follow-up will be counseled and necessary follow-up appointments will be scheduled. Additionally, within two weeks following the event, Madison County will receive an aggregate report card. Based on this needs assessment, Madison River Oaks Medical Center will provide specific programming on a quarterly basis. Over 250 employees have initially signed up to participate.
