Sgt. Jonathan Dearing purchased fuel for his county patrol car with his personal credit card on 09/29/2023, in the amount of \$20.00. There was an issue at the station with the fuelman system and they could not process the payment.

Can Sgt. Dearing be reimbursed \$20.00 for the cost of the fuel purchase?

I have attached a copy of the receipt to this memo. Let me know if you have any questions or need any further information.

Thanks,

Jeremy Williams
