Easy Pay Monthly enrollment requires you to provide a valid credit card with authorization for monthly automatic payments. Enrollment is based on a 12-month term, and a new 12-month term will automatically renew at the end of each term. Before you are automatically billed for the renewal term, we will notify you of the renewal term pricing approximately 14 days in advance. You may call Account Services to update your credit card, address information, email information, or stop the auto renewal order before the order is placed. There are no refunds for late cancellation of automatic renewals after a new term begins.
