RE: Asbestos Inspection Services
Madison County Circuit Court Building
Brandon, MS

Dear Mr. Bagley:

This letter is in response to your request for asbestos containing materials (ACM) testing services at the above-referenced buildings (hereafter called the "Project") for the Madison County Board of Supervisor (hereafter called the "Client") by Pickering Firm Inc. (hereafter called the "Consultant"). The Consultant understand the work includes an asbestos inspection of the renovation areas of the Madison County Circuit Court Building in Canton, MS.

SCOPE OF WORK

1. Inspect the renovation areas for the presence of suspect ACM.
2. Collect a minimum of two bulk samples of each representative suspect ACM materials to determine the extent of existing ACM. Provide laboratory analysis by independent approved laboratory.
3. Provide written report of findings, including sample location drawings, laboratory results, and abatement cost estimates, if applicable.

COMPENSATION

The Client will pay Consultant for the ACM inspection service (Items 1-3) a lump sum fee of \$3,800.00.

If asbestos materials are found, a separate proposal for asbestos design will be submitted to the owner.

Lump-sum fees include the cost of all travel, printing, photographs, and other miscellaneous costs associated with Project. This proposal will be valid for 60 days from date of issue.

SCHEDULE

The Consultant will start the services on a Friday after receipt of written acceptance of this proposal and complete the inspection report within 10 days.
