Re: Proposal for Surveying Services at Madison County Circuit Clerk Bldg. – Canton, MS

Thank you for selecting Benchmark Engineering and Surveying as a professional services provider for JH&H Architects.

Benchmark proposes to provide a topographic survey meeting and following:

1. Locate all site improvements within the survey limits
2. Locate natural & man-made drainage feature, sanitary sewer systems, swales, inlets, headwalls, manholes, and associated pipe with size and flowline elevations
3. collect elevation cross-sections & spot elevations
4. Locate all terms as indicated on JH&H topographical survey requirements.

Benchmark will coordinate locating any/all underground utilities marked by Mississippi 811 or a third-party utility locator service. Any third party utility locating service will have to be coordinated/contracted separately from this proposal;

Topographic Survey - compensation for the aforementioned Scope of Services is proposed to be \$5,000.

Benchmark can commence work on this project within 10 working days of receipt of your approval of this proposal. The completed survey is estimated to be delivered 30 business days after commencement of work.

Certificate of insurance, licensure and/or other administrative documents will be provided upon request.
