Madison County Board of Supervisors

Re: National Association of Drug Court Professionals (“NADCP”)

Dear Members of the Board:

The Board previously approved expenditures for 3 employees to travel for the NADCP. However, airline and flight costs have gone up since then and the prices previously approved are no longer available. I would ask the Board to acknowledge and consent to raising those amounts to \$900 for airline travel and \$350 per night for hotel expenses. The requested funds are available in our grant budgets.

Should the prices continue to exceed the amount stated in this letter, I would ask the Board to approve a \$100 variance per person as long as the funds are included in our budget. This will alleviate an additional rise in prices in case there is a rise between approval and purchase.

Sincerely,

A handwritten signature in blue ink that reads "Staci O'Neal".
