Dear Madison County Board of Supervisors:

The Holmes County Board of Supervisor wishes to convey its sincere interest in the police cars that will be offered by your county. The Holmes County Sheriff department is in dire need of police cars. We believe that adding more reliable cars would significantly enhance the operational capabilities of our Sheriff Department and assist them tremendously in their efforts to fight rising crime in our community.

We appreciate your consideration and eagerly anticipate the opportunity to further discuss this matter. If you need any additional information please feel free to contact me at 662-834-0911.

Sincerely,

James Young, President  
Holmes Co. Board of Supervisors
