Credit Authorization

PAYMENT TERMS - Subject to credit approval, payments are due thirty (30) days from the date of the invoice. If the applicant does not have approved credit, as determined by Cummins payments are due in advance or at the time of the sale or service. If payment is not received when due, in addition to any rights Cummins Inc. has under the law and charges that Cummins levy under statute, including attorneys' fees and costs of collection, Cummins Inc. may charge the applicant eighteen percent (18%) interest annually, or the maximum amount allowed by payments.

STATEMENT POLICY - Statements and invoice copies can be accessed online at customerpays.com.

CREDIT AUTHORIZATION -The applicant hereby applies for credit to Cummins Inc. In doing so, the applicant authorizes Cummins Inc. to investigate the information provided herein and any bank, financial institution, credit reference, credit reporting agencies, or supplier that is doing or has done business with the applicant so as to obtain information concerning the applic

The applicant understands that any credit given will be subject to extension, continuation or discontinuation at the sole discretion of Cummins Inc.

If a sole proprietor or partnership: I recognize that my credit history may be a factor in the evaluation of the credit history and application for credit with Cummins Inc. I hereby give author Cummins Inc. to obtain my consumer report periodically, as deemed necessary, in the ongoing credit evaluation process affecting my company identified herein.

The terms of any credit given by Cummins Inc. to the applicant shall be set in Cummins Inc.'s sole discretion and may be changed by Cummins Inc. without notice to the applicant.

By signing this application on behalf of the applicant, I hereby represent that I am authorized to submit this application and bind the applicant and that at all the information contained here attachments hereto, and any information provided in accordance herewith are true and correct, and I agree to the terms and conditions as stated above.
