Team Mississippi Transplant Sports will be traveling to Birmingham, AL for the Transplant Games of America in July 2024. We will be there showing the success of Organ & Tissue Donation by representing our state in competitions including basketball, track & field, swimming, bowling, corn hole, darts, trivia and many more. We appreciate your support!

**Dear Valuable Sponsor:**

You may know of a friend, a neighbor, co-worker, or a family member who has been diagnosed with organ failure and needed a lifesaving organ transplant. According to the Organ Procurement Transplantation Network, there are over 105,000 people waiting on the national register for a lifesaving transplant, every (9) nine minutes another person is added to the transplant waiting list.

Did you know (17) seventeen people die each day waiting on the life-saving gift of an organ transplant? The good news is that one (1) organ donor can save eight lives and enhance over 75 more. I am grateful to that one person who help save my life, for you see, I needed an organ transplant in January 2012, and on January 4, 2014, I received a heart transplant because a mother from Austin, TX decided to give me her son's heart upon his death. **Here is a fun fact:** 40,000 transplants were performed in 2021, wow!

I am a member of Team Mississippi Transplant Sport, and we are looking to raise \$35,000.00 to ensure 35 transplant athletes including children the opportunity to participate and represent their families, donor families and the State of Mississippi in the upcoming 2024 Transplant Games of American. These games are held every two years and over 7,000 transplant athletes from across United States competing in various sporting events, with an additional 3,000 to 4,000 supporters, donor family members and living donors there to cheer them on. We do have international teams participating as well. **In 2022 Team Mississippi attended the 2022 Transplant Olympic Games in San Diego California and represented well be grabbing 57 medals (39 gold medals, 11 Silver medals, 7 Bronze medals).**

**Would you consider a sponsorship of \$5,000.00** and join with our other faithful sponsors **Community Bank, Hinds County Board of Supervisors, Mississippi Organ Recover Agency, The Transplant Pharmacy, Modern Woodmen of America, Walt Massey Dealership and Dick's Sporting Goods** just to name a few in helping us to promote organ, eye, and tissue donation. We are a 501c3 non-profit organization and we are qualified to receive tax deductible donations. I have included a sponsorship form and W-9 form. I hope you have the opportunity to review the websites below.

Thank you for your consideration,

*Timothy C. Lewis*
