Re: SOFTBALL COMPLEX SULPHUR SPRINGS PARK
JHH No: 21027B

Mr. Higginbotham,

Bids were opened for the above referenced project on 23 April 2024 at 10:00am; a complete bid tabulation is attached for your records.

The lowest bid was submitted by England Enterprises, Inc. as follows:

Base Bid:	\$1,246,000.00	
Alternate No. 1 (Add):	\$96,000.00	Play Field
Alternate No. 2 (Add):	\$480,000.00	Restroom Building (Building C)
TOTAL	\$1,822,000.00	Base Bid and Alternates listed above

Their bid and bid bond appear to be in order, and the Mississippi State Board of Contractors confirms their Certificate of Responsibility, 09365-MC, is current.

We recommend the Madison County Board of Supervisors award the Softball Complex Sulphur Springs Park to England Enterprises, Inc. in the amount of \$1,822,000.00.

In addition to the above bid, we recommend adding an irrigation system to the softball field and play field to protect the investment in sod as part of the project. We estimate the cost for additional work to be \$50,000.00. If the Board of Supervisors approve this amount, we will develop a change order for the work after award of the Contract.

Please let me know if you have questions or need any additional information concerning this matter.

Sincerely,
JH&H ARCHITECTS | PLANNERS | INTERIORS PA

- .2 Payments made to the Contractor are received by it in trust to be applied first to the amount owing to any person who has performed labor or furnished materials to the Contractor for the performance and work under this agreement and before the Contractor shall use any monies received for any other purposes.
- .3 Partial or final payment will not be payable or due at the option of the Owner in the event that any of the following conditions exist: (1) Defective or damaged work is not remedied by Contractor; (2) Claims have been filed by laborers, material men and/or subcontractors under this agreement; (3) Contractor fails to make the proper application for payment or fails to comply with Mississippi’s mechanics lien law; (4) Contractor becomes bankrupt or insolvent; (5) This agreement or any other

agreement between Owner and Contractor is in breach; and (6) Any insurance required of Contractor ceases to be effective and in force.

- .4 Acceptance of final payment by Contractor operates as a release to the Owner of all claims and liability to the Contractor for all construction work performed by Contractor.

§ 5.3.2 The compensation payable to the Contractor hereunder shall not be increased because of the imposition of any taxes, or of increases in the price of any labor, material, or services.

§ 5.3.3 No payment made hereunder shall operate as an admission on the part of the Owner that this Agreement, or any part thereof has been complied with, or preclude any action for damages against the Contractor should this Agreement not be faithfully executed in every respect or should the Work furnished and installed by the Contractor not meet with the approval of the Owner
