Greg, here is the email that you requested for the planting of the flower pots on the courthouse grounds. Lori Shepperd lives downtown Canton and walks the square three times a day many days. As you will read below, she loves the square and wants to help with beautification. She is asking if she can personally buy plants, soil, etc, at no cost to the County. The Tourism Office is going to help with this as well. Please advise if we can move forward with this process. We have many events coming up for May and summer and wold love to have this completed. Thank you so much for all of your help.

This is from Lori.

Hi Joann -

Thank you for all you do and for helping me muddle my way through this. I really love Canton, and the Courthouse grounds could really be beautiful. It has so much potential and with all the wedding venues in this area it could really shine, not to mention bring in new shoppers to the area, if we step up our game.

Thanks, Lori
