Madison County Board of Supervisors

Re: Business Information Systems, Inc.

Dear Board Members:

Attached is an invoice from Business Information Systems, Inc. for the maintenance of our current recording and court reporter equipment in courtroom 3 which is utilized by county court and youth court. Neither my court reporter nor I are privy to the contract terms between Madison County and BIS regarding the recording and court reporter equipment that has been purchased for the new courtrooms. However, I have been informed by BIS that the equipment planned for the new courtroom is a different system than the one we currently are using but by the same company. Therefore, I do not know if this contract will roll-over for the new system maintenance or not. I can say that at this time, it is needed and therefore I have approved it with the caveat of the comments herein.

Sincerely,

A handwritten signature in blue ink that reads "Staci O'Neal".
