---

M/Sgt. Joel Evans had to purchase fuel for a county owned vehicle with personal funds while at a training class last week. The fuelman system would not work out of state and that is why the purchases were made. We did complete a travel form with fuelman but his card was already locked.

Can M/Sgt. Evans be reimbursed \$290.32 for the cost of the fuel purchases?

I have attached a copy of the receipts to this memo. Let me know if you have any questions or need any further information.

Thanks,

Jeremy Williams
