

IN THE CHANCERY COURT OF MADISON COUNTY,
STATE OF MISSISSIPPI

IN RE:
RECOGNITION OF EMPLOYMENT
MADISON COUNTY SHERIFF OFFICE
PERSONNEL

CASE NUMBER 10-9000

ORDER ANNOUNCING EMPLOYMENT
EFFECTIVE JUNE 17TH, 2024

THIS DAY be it known, per the Equitable Powers of this Court, the Madison County Administrator made known that certain employees required Court's Approval for the payment for certain work performed since June 17th, 2024 by five (5) people. The error by Loretta Phillips prevented the Board of Supervisors from approving these employees within the recent Meeting, thus this Court does find the services and work performed by the following persons shall be paid as though their work performed was presented to the Board, to-wit:

- Alisha Johnson, xxx xx 7710
- Nijeria Smith, xxx xx 0965
- Jason Parrish, xxx xx 7597
- Jae Tanique Turner, xxx xx 7945
- Derrick Ware, xxx xx 4059

The error by Loretta Phillips may be corrected by presentation of these persons' employment to the next scheduled Board of Supervisors Meeting for their review and vote. The Equitable Powers of Chancery Court hereby authorize compensation for work services since June 17th, 2024 until employment presented to Board of Supervisors at their next meeting.

SO ORDERED this the 2nd day of July, 2024.
