MEMORANDUM

TO: CMPDD BOARD MEMBERS, LOCAL OFFICIALS, ECONOMIC DEVELOPERS, AND COMMUNITY LEADERS

FROM: MIKE MONK, CEO 

SUBJECT: COMPREHENSIVE ECONOMIC DEVELOPMENT STRATEGY SURVEY

DATE: July 22, 2024

Below is a survey link that we use annually in formulating our next year's program of work and updating the regional Comprehensive Economic Development Strategy (CEDs). As you are probably aware, this annual program of work is part of a continuous, overall economic development program recognized by several state and federal agencies. Several of these agencies that provide grants to local governments now require projects to be listed in the CEDs. This makes the information we receive from you even more important in keeping this process accurate, meaningful, and up to date. We want to ensure that all the local governments in our area are given every opportunity to qualify for funding for their various projects.

Please complete the survey no later than August 5, 2024. You are encouraged to list specific projects in the space provided.
