**DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS
FOR
GLENDALE FARMS**

This Declaration of Covenants, Conditions, and Restrictions for Glendale Farms, (Declaration) is made on March 3, 2022 by Glendale, LLC a Mississippi Limited Liability Company ("Declarant").

The Declarant is the owner of certain real property situated in Madison County, Mississippi, and described in Exhibit A ("Property"), and desires to create and to develop a residential community on the Property which shall have designated common areas ("Common Area") and common facilities ("Common Facilities") for the benefit of the residential community. The Declarant desires to provide for the preservation of the values and amenities in, and the enhancement of the charm and beauty of, the residential community, and for the designation, administration and maintenance of the Common Area and Common Facilities. Therefore, the Declarant desires to subject the Property, including any and all improvements constructed or to be constructed on the Property to the covenants, conditions, restrictions, uses, limitations, obligations, easements, servitude, charges, assessments and liens contained in this Declaration which individually and collectively are for the benefit of the Property, each Owner and the Declarant.

The Declarant desires the efficient preservation of the values and amenities in, and the enhancement of the charm and beauty of, the residential community. Therefore, the Declarant has created and organized an agency ("Association"), and has delegated and assigned the powers and duties created by and in this Declaration to the Association for the administration and maintenance of the Common Area and Common Facilities, the administration and enforcement of the provisions of this Declaration, and the determination, collection and disbursement of the maintenance and special assessments and other charges (Collectively "Assessments").

The Declarant is the owner of the real property described in Exhibit B which includes the Property, and intends to develop the residential community in phases on the real property described in Exhibit B. In or during the process of such development, the Declarant intends to annex the real property described in Exhibit C ("Additional Property") to the Property and to subject the Additional Property to the provisions of this Declaration and the jurisdiction of the Association.

Now, therefore, the Declarant declares that the Property is and shall be owned, leased, held, transferred, assigned, sold, conveyed, rented, used, occupied, hypothecated or encumbered, and improved subject to the provisions of this Declaration which (i) are agreed and declared to be beneficial for and in aid of the development of the residential community and the improvement of the Property, and (ii) shall be deemed to run with the title to and bind the Property, and (iii) shall inure to the benefit of and be enforceable by the Declarant, its successors and assigns, and to the extent herein allowed, specified or permitted each Person who has or acquires any interest in any portion of the Property or the improvements of the Property, including the Association, any owner and any Person who holds such interest solely as security for the performance of an obligation or payment of a debt.

PROPERTY SUBJECT TO DECLARATION

Section 2.01. The Property. The real property which is and shall be owned, leased, held, transferred, assigned, sold, conveyed, rented, used, occupied, hypothecated or encumbered, and improved subject to this Declaration is the Property which is located in The Northeast 1/4 of Section 26, T8N-R2E, Madison County, Mississippi, and is more particularly described in Exhibit-A.

Section 2.02. Common Area and/or Green space. All of the real property described in Exhibit D is set aside as, and declared to constitute Common Area, after such real property is conveyed and is assigned to the Association by the Declarant, the Common Area shall be held and owned for the common use, benefit and enjoyment of the Members. The designation of any portion of the Property as a Common Area or a Common Facility shall not mean that the public at large acquires any easement of use, benefit and enjoyment in or to the Common Area and Common Facilities.

Section 2.03. Phase Development. The Declarant expressly reserves the option, right and privilege (i) to annex all or any portion of the real property described in Exhibit C, which is the Additional Property, to the Property, and (ii) by or as a result of such annexation to subject the annexed Additional Property to the provisions of this Declaration and the jurisdiction of the

Association. The provisions of this Declaration shall not affect or apply to any portion of the Additional Property unless and until such portion of the Additional Property is annexed to the Property pursuant to the provisions of Section 2.04, except insofar as Declarant shall have voting rights pursuant to Section 3.03 for the Additional Property.

The Declarant shall not have the obligation, but only the option, right and privilege, to develop or annex any portion of the Additional Property. The Declarant expressly does not represent, warrant or guarantee to any Person that any portion of the Additional Property will be developed or will be annexed to the Property. By acceptance of a deed conveying any interest in a Lot, each Owner agrees, represents and warrants to the Declarant or other grantor that, in purchasing or otherwise acquiring such interest in the Lot, the Owner has not relied on any proposed, current or future development of any portion of the Additional Property or annexation of any portion of the Additional Property to the Property.

Section 2.04. Annexation Procedure. To annex Additional Property to the Property as permitted by Section 2.03, the Declarant shall execute and file for record a Supplement which describes the portion of the Additional Property being annexed to the Property and the new, amended or revised description of the Property. The option, right and privilege of the Declarant to annex any portion of the Additional Property to the Property is subject to the following provisions:

- (a) The Declarant's option, right and privilege to annex Additional Property shall terminate and expire on January 1, 2045.
- (b) The Declarant may annex all of the Additional Property or may annex any portion of the Additional Property at different times and in any sequence desired by the Declarant without regard to whether or not the portion of the Additional Property being annexed is contiguous or not contiguous to the Property.
- (c) The Supplement shall extend the provisions and scheme of this Declaration to the Additional Property being annexed, but the Supplement may contain such complimentary additions to and modifications of the provisions of this Declaration as the Declarant determines to be appropriate or necessary for the different character or use, if any, of the Additional Property being annexed. Such complimentary additions and modifications shall not be generally or substantially inconsistent with the provisions of this Declaration, except as permitted by Section 5.07, relating to equitable adjustments, and otherwise shall not amend or modify the provisions of this Declaration.

Section 2.05. Effect of Annexation. Upon the Supplement referred to in Section 2.04 being filed for record, the Additional Property described in the Supplement shall be annexed to the Property. Any and all Lots, the Common Area and the Common Facilities, including any Green Space, or in the annexed Additional Property shall be subject to the provisions and scheme of this Declaration and the jurisdiction, functions, duties, obligations and membership of the Association, including the Charter, the Bylaws and the rules and regulations promulgated or

adopted by the Board of Directors. All Owners of Lots shall be granted the rights contained in Article IX to the Property as described after such annexation.

Section 2.06. Additional Property Modification. At any time or times prior to January 1, 2035, the Declarant shall have the option, right and privilege, but not the obligation, to amend the description of the Additional Property, as contained in Exhibit C, to include other real property the Declarant now or in the future may own or acquire, within the vicinity of, but expressly without the necessity or requirement of being contiguous to, the real property described in Exhibit B, if at such time or times the Declarant intends to develop such other real property in a manner consistent, compatible or in conformance with the Declarant's development of the Property, and to amend the description of the resulting new, amended or revised description of the Additional Property.

Section 2.07. Annexation Restrictions. Except for the Property and the Additional Property as amended or revised pursuant to Section 2.06, other real property, after January 1, 2035, may be annexed to the Property and Additional Property under Section 2.06, or become subject to the provisions of this Declaration and the jurisdiction of the Association only by a vote of two thirds of the voting power of each class of the Members and such other consent as may be required under this Declaration.

Section 2.08. No Consent Required. The Declarant shall not be required to obtain any consent or approval of any Class A Member or other Person, including any Mortgagee, to annex any Additional Property to the Property as permitted by Section 2.03 or to amend the description of the Additional Property to include other real property as permitted by Section 2.06. Each owner, each Mortgagee and each other Person, including, but not limited to, each grantee, heir or devisee, personal representative, successor and assign of an Owner, Mortgagee or other Person, by acceptance of any deed, deed of trust, mortgage or similar encumbrance, shall be deemed to have expressly agreed and consented to (i) each of the provisions of this Article II, and (ii) the execution, filing for record and provisions of any Supplement contemplated by this Article II.

ARTICLE III.

ASSOCIATION MEMBERSHIP AND VOTING RIGHTS

Section 3.01. Membership. The Members of the Association shall be and consist of every Person who is included in the definition of an Owner under Article I. When more than one Person owns a Lot, then all such Persons shall be Members.

Section 3.02. Action by Members. The Association shall have two classes of voting Members. Whenever any provision of this Declaration requires a vote of a specified percentage of the voting power of each class of Members, then such provision shall require a separate vote by the specified percentage of the voting power of the Class A Members and by the specified percentage of the voting power of the Class B Member. Whenever any provision of this Declaration requires a vote of a specified percentage of the voting power of the Members, then

such provision shall require a vote by the specified percentage of the combined voting power of all Members.

Section 3.03. Class of Members and Voting Rights. The voting rights of the Members shall be as follows:

- (a) The Class A Members shall be all Members, except the Declarant. Whenever a vote of the Class A Members is required or permitted under this Declaration, the aggregate voting power of all Class A Members shall be equal to the aggregate number of Lots owned by all Class A Members and the Class A Members who own a Lot shall be entitled to one vote for each Lot owned by such Class A Members. When more than one Member owns or otherwise holds an interest or interests in a Lot, then the one vote for such Lot shall be exercised as such Members shall determine, but in no event shall more than one vote be cast with respect to any Lot.
- (b) The Class B Member shall be the Declarant who shall be entitled to three votes for each Lot owned and 6 votes for each acre of land in the Additional Property.

Section 3.04. Membership Appurtenant to Real Property. The membership of both the Class A Members and the Class B Member shall be appurtenant to the ownership of a Lot and/or Additional Property. A membership shall not be held, assigned, transferred, pledged, hypothecated, encumbered, conveyed or alienated in any manner except in conjunction with and as an appurtenance to the ownership, assignment, transfer, pledge, hypothecation, encumbrance, conveyance or alienation of the Lot to which the membership is appurtenant.

Section 3.05. Voting Conflict Between Members. If the fee title to a particular Lot is owned of record by more than one Member, then the one vote appurtenant to such Lot may be exercised by any one of such Members, unless the other Members who own an interest in such fee title to the Lot shall object prior to the completion of voting upon the particular matter under consideration. In the event of any such objection, the one vote appurtenant to such Lot shall not be counted.

Section 3.06. Class B Member Termination. The Class B membership, and all rights appurtenant to such membership, shall cease when the Declarant shall have no ownership interest in any Lot or any Additional Property.

Section 3.07. Other Voting Provisions. The Charter and/or the Bylaws may contain other provisions relating to voting rights of Members with respect to matters or issues unrelated to this Declaration, including, but not limited to, the election of individuals to the Board of Directors.

ARTICLE IV.

- (e) To authorize the payment of patronage refunds to the Members if and when the Board of Directors determine that the funds derived from Assessments are more than sufficient to satisfy all reasonably foreseeable financial needs or requirements of the Association during the current fiscal year, including funds for reserves.
- (f) To purchase insurance upon the Common Area and Common Facilities.
- (g) To maintain, repair, restore, reconstruct or demolish all or any portion of the Common Area and Common Facilities after any casualty loss, and to otherwise improve the Common Area and Common Facilities.

- (i) To lease as tenant, purchase or otherwise acquire Lots and to option, lease, sell, assign, exchange, trade, transfer, quitclaim, surrender, release, abandon, mortgage or encumber or otherwise convey any of such Lots upon such terms, conditions and provisions as the Board of Directors considers to be advisable, appropriate, convenient or advantageous for or to the Association.

Neither the Declarant, its agents, officers, partners, or employees, nor the Association, Board of Directors, any Director or any Officer of the Association shall be liable to any Person for theft or other loss of or damage to any property which may be left or stored in, upon or around the Common Area, Common Facilities or any Lot or Street. No diminution or abatement of Annual or Special Assessment shall be claimed or allowed for the inability to sue, any inconvenience or discomfort caused by or arising or resulting from the need for or the conduct of routine or other maintenance or repairs, or the construction or reconstruction of improvements on any Lot, Streets, Common Area or Common Facilities, or from any action taken or omitted or from inaction by the Association to comply with any of the provisions of this Declaration, any

Supplement, any law or ordinance or the order or directive of any governmental authority or any court.

ARTICLE V.

COVENANTS FOR ASSESSMENTS

Section 5.01. Annual Assessments. Each Owner except the Declarant by acceptance of a deed or other conveyance document for such Lot, whether or not expressed in any such deed, or other conveyance document, shall be deemed to covenant and agree to pay to the Association the Owner's Assessments for such Lot's proportionate share of the amount estimated by the Board of Directors to be required for the purposes contained in Section 5.02 or Section 5.03 or otherwise considered to be an Assessment under this Declaration. The calendar year shall be the fiscal year for determining or calculating Assessments unless and until the Board of Directors establishes a different fiscal year from time to time. The Board of Directors shall determine the amount of the Annual Assessment with respect to each Lot annually or at such more frequent intervals as the Board of Directors considers appropriate. The annual Assessment for each fiscal year shall be paid in 12 equal monthly installments during such fiscal year, unless the Board of Directors requires or permits the annual Assessment to be levied and collected quarterly, semiannually or annually. The due date for each installment payment of the Assessment shall be the first day of the applicable installment period. Any Assessment installment may be prepaid without penalty or premium.

The Board of Directors shall prepare, or cause to be prepared, an annual operating and capital expenditure budget for the Association, including the Common Area and the Common Facilities. The Board of Directors shall make reasonable efforts to determine and to calculate the amount of the annual Assessment against each Lot for each fiscal year, and written notice of the annual Assessments shall be sent to the Members. The Association shall prepare and maintain at the Association's office a schedule of the Assessments for the Lots and the schedule shall be available for inspection by any Member at any reasonable time during the Association's normal business hours. The omission or failure by the Board of Directors to determine or calculate the amount of the annual Assessments applicable to the next fiscal year shall not constitute a waiver or modification of any provision of this Article V, and shall not constitute a release of any Member from the obligation to pay the annual Assessment against the Lot of the Member, or any installment of such Assessment, for the next or any subsequent fiscal year, but the annual Assessment for the prior fiscal year shall continue to be the annual Assessment payable by the Members until a new annual Assessment is determined or calculated by the Board of Directors. No Class A Member may become exempt from or otherwise avoid liability for the payment of the annual Assessment by the abandonment of any Lot or by the abandonment or release of the Member's rights to the use, benefit and enjoyment of the Common Area and Common Facilities.

Section 5.02 Annual Maintenance Assessments. Except as permitted by Section 5.04, the annual maintenance Assessments levied by the Association shall be used exclusively (i) to

promote the health, safety and welfare of the residents of the Property, including the improvement, maintenance and repair of the Common Area and Common Facilities, and (ii) to pay the costs of labor, the purchase or rental of equipment and materials used or required for, and the management, care and supervision of, the Common Area and Common Facilities. The purposes for which the annual maintenance Assessments may be levied include, but are not limited to, the following purposes:

- (a) The amount of all operating expenses of or for the Common Area and Common Facilities and the services furnished or provided to or in connection with the Common Area and Common Facilities, including charges for any services furnished or provided by the Association.
- (b) The costs of appropriate or necessary management and administration of the Common Area and Common Facilities, including fees or other compensation paid to a Management Agent.
- (c) The amount of all taxes and assessments levied against the Common Area and Common Facilities.

appropriate by the Board of Directors, the Association may provide such maintenance, repair, care, upkeep or replacement or satisfy or discharge any such other obligations or duties at the owner's sole cost and expense. Such cost and expenses shall be increased by all amounts specified in Section 6.03. All such amounts shall be considered to be a special Assessment against the Lot and the Owners of such Lot shall be personally responsible and liable for the payment of all such amounts immediately upon notice from the Association, and all such amounts shall become a lien against such Lot which shall be enforceable by the Association.

Section 5.10. Meetings to Approve Assessments. The monthly installment for the remainder of the month or, if applicable, the quarter or semiannual or annual period, which includes the date of delivery of the deed or other conveyance document shall be due and payable on the date of such delivery. The first annual maintenance Assessment shall be adjusted according to the number of months remaining in the fiscal year.

ARTICLE VI.

ENFORCEMENT OF ASSESSMENTS

Section 6.01. Lien of Assessments. All Assessments with respect to or against a Lot plus such additional amounts as are specified in Section 6.03 shall be (i) a charge on the land, (ii) a continuing lien upon and against the Lot, (iii) binding upon such Lot, and (iv) the continuing joint and several personal obligations and liability of each Person who was an Owner of such Lot when any portion of such Assessment became due and payable, their heirs, devisees, personal representatives, successors and assigns, which lien shall not be extinguished or diminished by any transfer or conveyance of any Lot.

The personal obligation of each Member to pay all Assessments levied against his Lot shall continue for the full statutory period permitted by law, and a suit to recover a monetary judgment for the non-payment of all or any portion of such assessment, including any installment, may be commenced and maintained by the Association without the foreclosure or waiver of any lien created under this Declaration to secure the payment of such Assessment. Any judgment may include all amounts specified in Section 6.03. The Association may commence and maintain an action at law against any Member personally obligated or liable to pay any Assessment and/or may foreclose the lien against any Lot of the member in the manner now or hereafter provided in the State of Mississippi for foreclosure of mortgages and other liens on real property containing a power of sale provision. Any such foreclosure by the Association shall be subject to the substantive and procedural requirements prescribed by laws of the State of Mississippi applicable to the foreclosure of mortgages and other liens on real property containing the power of sale provisions.

The Association shall have the right to reject partial payments of an Assessment and to demand the full payment of such Assessment. The lien for unpaid Assessments shall be unaffected by any sale or other transfer of the Lot subject to the Assessment, and the lien shall continue in full force and effect. No Member may waive or otherwise avoid or escape personal liability for payment of any Assessment by abandonment of the member's Lot or by abandonment or release of the Member's rights to the use, benefit and enjoyment of the Common Area and Common Facilities.

If any proceeding to foreclose the lien for any unpaid portion of an Assessment is commenced by the Association with respect to any Lot then the Board of Directors may require the owners of the Lot to pay reasonable rent for use of the Lot and the Association shall be entitled to the appointment of the receiver to collect such rent.

The Board of Directors may post or publish in any prominent location on the Property a list of Members who are delinquent in the payment of any portion of an Assessment or other fees which may be due to the Association, including any installment of an Assessment.

Section 6.02. Assessment Certificate. Upon five days notice, the Board of Directors shall furnish a certificate signed by an Association officer to any Member liable for the payment

of any Assessment or to any other Person having legitimate interest in the payment of such Assessment stating whether or not the Assessment has been paid. The certificate shall be conclusive evidence of the payment of any Assessment stated to have been paid in the certificate. The Board of Directors may require the payment of a reasonable charge for the issuance of a certificate.

Section 6.03. Amount of Lien. Upon the default in the payment of any installment of an Assessment, the entire unpaid balance of all Assessments shall immediately be and become due and payable, unless the Board of Directors shall otherwise direct. In addition to the amount of the unpaid annual maintenance and special Assessments, the following amounts shall be considered to be special Assessments against the Lot and the owners of such Lot and shall be subject to the lien of Assessment provided under Section 6.01:

- (a) All reasonable cost and expenses of collection, including attorneys' fees, court costs and other costs and expenses relating to the collection or enforcement of the lien of Assessments.
- (b) Such late payment charges or fees as shall be established by the Board of Directors from time to time.
- (c) Such Association overhead charges as shall reestablished by the Board of Directors from time to time which reimburse the Association for overhead or indirect costs and expenses incurred to collect unpaid Assessments or to perform or satisfy any obligation or duty imposed upon such Owners under this Declaration.
- (d) Interest on or with respect to all amounts specified in this Section 6.03, including the unpaid balance of all Assessments, and such interest shall accrue from the due date until paid in full at the maximum rate of interest permitted by law in the State of Mississippi on loans to the Owners from Persons other than the Association which are in the amount owed to the Association.

Section 6.04. Priority of Lien. The lien to secure payment of an Assessment against a Lot shall have preference over any other liens, assessments, judgments or charges of whatever nature, except (i) general and special assessments for ad valorem property taxes on or against such Lot, (ii) the lien of any First Mortgage on such Lot made in good faith and for value received and duly filed and recorded prior to the Assessment creating the lien against the Lot, or duly filed and recorded after receipt of a certificate under Section 6.02 stating that payment of the Assessment was current as of the date the First Mortgage was filed for record.

Section 6.05. Subordination to Mortgage. As provided by Section 6.04, the lien against any Lot to secure payment of any Assessment ("Assessment Lien") shall be subordinate to the lien of any duly filed and recorded First Mortgage on or against the Lot made in good faith and for value received, and shall not affect the rights of the holder of any First Mortgage. However, the Assessment Lien shall be subordinate only as to Assessments which have become due and

payable prior to the sale or transfer of the Lot pursuant to a foreclosure of any such First Mortgage, or prior to the execution of any deed, assignment or other proceeding or arrangement in lieu of foreclosure. Any such holder of a First Mortgage who acquires possession of such Lot pursuant to a foreclosure or pursuant to the execution of any deed, assignment or other proceedings or arrangement in lieu of foreclosure, and any purchaser or assignee at a foreclosure sale or any transferee under any deed, assignment or other Proceedings or arrangement in lieu of foreclosure, shall acquire the Lot free of any claims for unpaid Assessments levied against the Lot which accrued prior to the time such holder acquires possession of the Lot , or prior to the foreclosure sale or prior to the execution of any deed, assignment or other proceedings or arrangement in lieu of foreclosure, except for claims for a proportionate share of such unpaid Assessments resulting from a reallocation of such unpaid Assessments among the various Lots. Moreover, such foreclosure, deed, or other proceeding or arrangement in lieu of foreclosure shall not relieve the holder of the First Mortgage in possession or the purchaser at foreclosure or the transferee under any deed, or other proceeding or arrangement in lieu of foreclosure, from any liability for payment of any Assessments thereafter becoming due, or from the lien created to secure the payment of any such Assessments, and the lien for the payment of such Assessments thereafter becoming due and payable shall have the same effect and shall be enforced in the same manner as provided in this Article VI.

No amendment to this Section 6.05 shall adversely affect the rights of the holder of any First Mortgage on any Lot, or the holder of any indebtedness secured by such First Mortgage, filed for record prior to the amendment being filed for record, unless such holders execute, approve or consent to the amendment.

In its sole and absolute discretion, the Board of Directors may extend the provisions of this Section 6.05 to Mortgages not otherwise entitled to the benefits of this Section 6.05.

ARTICLE VII.
