Under **HSPD-5, Management of Domestic Incidents**, the Department of Homeland Security established a single, comprehensive incident management system in 2004.

I hereby certify:

- (1) that the *Madison County Emergency Management* has sufficient legal authority provided by *Madison County Board of Supervisor's* lawfully enacted or promulgated statutes, ordinances, or regulations to adopt and implement NIMS requirements;
- (2) that such statutes, ordinances, or regulations are in full force and effect on the date of this certification;
- (3) that the tasks necessary to implement NIMS requirements have been accomplished to the "good faith effort" standard within Madison County by all disciplines receiving direct benefit as a result of federal preparedness funding; and
- (4) that Madison County Emergency Management has reviewed the specific tasks in the FEMA NIMS Implementation Objectives and completed the annual NIMS Data Collection Worksheet (NIMSCAST).

Additionally, evidence of compliance may be requested and reviewed by the Mississippi Emergency Management Agency, Office of Preparedness, and must be made available upon request. I understand failure to provide the information may result in suspension or termination of the Emergency Management Performance Grant (EMPG) funds.
