Dear Supervisors,

I would like for the Madison County Board of Supervisors to acknowledge and accept a donation of battery powered tools from Milwaukee Tools to be placed into service on the Heavy Rescue that the County purchased this year. Attached is an item list and picture of the equipment. Although Milwaukee Tools doesn't have a factory in Madison County, many of their employees live in Madison County.

Respectfully,

Minor Norman  
Fire Coordinator

Dear Madison County Fire Services,

On behalf of Milwaukee Tool, I am writing to express our gratitude for the invaluable service you provide to our community each day. We have been deeply impressed by your dedication, professionalism, and courage in safeguarding lives and property.

It is with great pleasure that we extend our sincerest appreciation for your commitment to excellence. To support your efforts further, Milwaukee Tool is honored to donate a selection of our finest tools to assist you in your mission. These tools are designed to enhance efficiency, safety, and effectiveness during emergency situations and everyday operations.

Milwaukee Tool has always believed in the importance of supporting local communities and organizations that make a significant impact. We hope that these tools will serve you well and contribute to the outstanding service you provide to the residents of Madison County.

Once again, we thank you for your unwavering dedication and bravery. Milwaukee Tool is proud to support the Madison County Fire Service, and we look forward to continuing our partnership in the future.

Should you have any questions or if there are any additional needs we can assist with, please do not hesitate to contact us. We are committed to supporting your vital work in any way we can.

Warm regards,

Stephen Pruitt  
Community Impact Coordinator
