Hello Sherry,

I have included the shipping address for your writer below. Please write your service number on the outside of the package, as this is how we know what the writer is coming in for. Your service number is SQ37465. Also, as a reminder, you will want to remove both the data and backup cards from your writer before sending it in. Please do not include any additional items such as chargers, tripods, or cases unless requested for testing purposes.
