Subject: Additional Access Control for Tax Collector's Office

Dear Barry,

Allow me to express my sincere appreciation for the opportunity to assist you with your security needs. At Security & Integrated Systems Support, Inc. we stand ready to meet those needs. Based on our conversation I am pleased to offer the following access control options for your review and consideration:

Access Control Equipment (One Lock Per Door Set)

- (1) Magnetic lock power supply
- (1) Honeywell two door controller
- (1) Network board
- (2) Magnetic locks
- (2) Request to exit buttons
- (2) Request to exit motion detectors
- (2) Proximity readers
 - All necessary wire and connectors
 - All necessary installation labor
 - One year parts and labor warranty

Investment: \$4,530.00 plus appropriate taxes

Section Notes: Owner is to provide a suitable IP address for access control system.

Owner is to provide fire alarm output relay module from existing fire panel at owner's expense. This will allow the doors to unlock in the event of a fire.

I trust that you will find this proposal complete and acceptable. I look forward to your positive response. If you need any additional assistance, please do not hesitate to contact me. Once again, thank you!

Sincerely,

Brian Gardo
