Upon acceptance of this quote, a BadgePass ONE account will be created with an initial user. The initial user will receive an e-mail to activate the account. An invoice will be generated and payment will be due within 30 days.

Printer plan overages and/or subscription overages will be charged monthly on the billing cycle date established during account creation following the month they occurred in.

Customer must provide a DHCP-enabled ethernet connection with internet access for the Connect card printer to work correctly. If MAC filtering is enabled, the customer will need to add the Connect printer's MAC address to the network's allowed devices list to enable use. Please contact our technical support team with any questions or concerns on connectivity
